New Consent Forms for September

September each year means new Consent and Registration Form needs to be completed for every child or young person. These forms can be picked up from the club week commencing 18th August. It is important that we have these forms filled out each year with

updated information, especially medical conditions, allergies and emergency contact numbers. Please take time to fill these forms in and sign them. We are more than happy to help if you want to come in to the Project. A note for all 16 year olds and upwards, you can complete the

Consent Form and sign it but please remember we will want to have Photo ID or birth certificate to confirm your date of birth.

What a lovely bunch they are!

Changes a foot!

We have had an interesting year with many changes. In the last few months our Project Manager, Susan McWalter left the Project to go to work for YWCA. Susan worked at PY for almost 5 years. We wish her good luck in her new job. We have also a new Development Manager and now acting Project Manager, Lesley Ross. Lesley has joined

us from MYDG and we hope she enjoys being here as much as we enjoy her being here! Gena, our Senior Administrator has also taken a foot up the ladder and is now Administration Manager. Bob Griffiths, PYCP's Chairperson for a number of years has decided to make this his last year on the Board. He has been involved with PYCP for 24 years and has

always had the interests of the Children and Young People at heart. Bob, you will be missed and we hope you will pop in from time to time to catch up on the PY news and for a coffee!

Have you got something to tell us? A new idea for the Project? Pop in, phone or email us, we would love to hear from you....

New Website coming soon.....

Fingers and toes crossed we hope to have our new PYCP website up and running by September. We hope to have details of the Programmes and Consent Forms on there so you can see at a glance what's happening, when and where! If anyone has any ideas what they would like to have on the website come and see us and we will see what we can do so

watch this space and keep clicking on www.pycp.co.uk to see the progress.
